THE BAILE.

The most successful and brilliant social event, of the season took place at the hotel last night.

The hop was given by Mr. Steven Cerrero, a sufficient guarantee, that it was largely attended and enjoyed by all.

The new year was greeted by the sounding of the immense hotel gong, and shortly afterwards supper was announced.

The supper was an abundant success; and without doubt was the best arranged and most elegant banquet ever given in Yuma.

The dance continued until an early hour, and the assembled guests expressed thanks to Mr. Cerrero for his graceful and well chosen liberality.

The Only Way to Conquer Dyspepsia.

It is perfectly preposterous to introduce

peppin and other artificial solvents into the stomach, in the expectation that they will assist digestion by acting on the food itself.

They will not. Nor is it possible thus to overcome dyspepsia. The only way to conquer that disorder, and prevent the numerous diseases and disabilities which it necessarily provokes, is to renew the activity of gastric action by strengthening the stomach.

Hostetter's Stomach Bitters eradicates the most inveterate forms of indigestion by restoring vitality to the alimentary organs, and those which are tributary to them. The liver, the bowels, the kidneys and the nerves, no less than the stomach, experience the invigorating effects of that standard tonic, which possesses alternative properties that greatly enhance its beneficial influence and give a permanence to its effects which they would not otherwise possess.

Re-Arrested.

In the month of May 1886, Judge Levy committed to jail Hernandez Castro, to await the action of the Grand Jury. Castro was charged with an attempt to commit murder: within a few weeks he was released on bail and left the country without bidding his bondsmen adieu. A few days ago he returned here and was promptly re-arrested by Sheriff Tyner and now languish in jail awaiting examination before the next Grand Jury.

Renews Her Youth.

Mrs. Phoebe Chesley, Clay Co. Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own house work. I owe my thanks to Electric Bitters for having removed completely all disease and pain." Trial bottle only 50c at A. Frank's store.
